Dear Church Family,

As we approach the remembrance of the birth of our precious Savior, we would like to ask for your assistance in the Angel Tree ministry. Angel Tree seeks to show prisoners and their families the love of Christ by providing Christmas gifts to the children of local inmates. Angel Tree gift requests will be available in the lobby the Sunday following Thanksgiving. The gifts may be returned (unwrapped) to the church by Sunday, December 11th. We will gather to wrap the gifts for the children on Wednesday, December 14th in the fellowship hall. Finally, we are looking for volunteers who would be willing to deliver the gifts and share the love of Christ with the children and their families. Gift deliveries will be made on December 17.

Most importantly, we would like request that you please pray that each of the prisoners and his or her family would come to know Christ.

"The people living in darkness have seen a great light; on those living in the shadow of death a light has dawned." Matthew 4:16

For His Glory,

Dear Church Family,

Providence will once again be the drop off location for the entire Salisbury and Mid-Delmarva area from November 14th through November 21st. Lets make a difference this year by packing a shoebox and reaching out to a Christ starved world and asking God to touch the hearts of these children and their families, we are asking that you would please have your shoe boxes packed and returned to the church on or before November the 13th so they can be processed and packed for shipping. You can track you shoebox and get many ideas about packing your shoeboxes on line at www.samaritanspurse.com. I promise that you will be blessed by your efforts.

For Christ Always,

Dave Smith

Session notes

1. The Session would like to thank all who submitted names of men to be considered for officer training. After much discussion and prayer over each name, then prayer on the part of those men that were asked to consider taking the officer training class, four men have agreed. Please be in prayer for these men as they go through the officer training class with Pastor Shelton.
2. Josh Ingersoll has proposed building a Disc Golf course as his Eagle Scout project. With input from those who have specific knowledge regarding disc golf, he has a course routed on our property. He still needs to get approval for this project from the scouts and then it would be submitted to Session.
3. Bids have been asked for and are currently being taken for the site work for the proposed parking lot expansion, picnic pavilion, and volleyball court.
